

Reading Skills – Alphabet & Phonics Apps

Icon	Title	Description
	<a href="#">Interactive Alphabet</a>	Every letter is a unique, interactive toy! Play the xylophone on the 'X' card, make the 'D'inosaur roar, 'Z'ip the Zipper, etc! It is a hands-on, memorable learning experience for children.
	<a href="#">Amazing ABC</a>	This ABC's learning app is designed to enable your child to learn alphabet letters in an enjoyable and rewarding environment. It contains letter recognition with animated graphic and sound, lowercase and uppercase letters tracing, and a game to test your child's learning progress.
	<a href="#">Elmo Loves ABCs</a>	Elmo loves this app! It has songs and videos about letters. It has coloring pages and games about letters. It has all the letters from A to Z! Elmo even made a new alphabet song for it.
	<a href="#">My First Words</a>	This app has flash cards categorized by topics. There are 8 game modes including listening and reading games. It is fully customizable allowing you to use your own pictures and voice recording.
	<a href="#">See Touch Learn</a>	See.Touch.Learn.™ is a picture learning system designed specifically for those with autism and other special needs. It is used to build custom picture card lessons and automatically track the child's responses. Includes a starter set of stunning, high-quality images and 60 exercises.
	<a href="#">Word Magic</a>	A picture is shown and the kids should select the missing letter for the picture. The picture for the word will be read out. There are three flavors. Based on the kids level, you can choose missing letter at the beginning or in the middle or in the last.
	<a href="#">Word Wagon</a>	Word Wagon includes more than 100 words, each with engaging illustrations, animations, and sounds. Choose words from seven different categories. Levels for Preschool through Grade 1 <ul style="list-style-type: none"> <li>- Level 1: Letters – Learn the names of the letters</li> <li>- Level 2: Phonics – Learn the sounds of the letters</li> <li>- Level 3: Spelling I – Spell words up to 4 letters</li> <li>- Level 4: Spelling II – Spell words up to 6 letters</li> </ul>
	<a href="#">Super Why</a>	Your child can play along with each of the main characters from the TV series while practicing the alphabet, rhyming, spelling, writing and reading.
	<a href="#">ABC Phonics</a>	Developed by a group of parents - the app mimics and automates how they would go over each flash cards with their own children, focusing in on the alphabet phonetics, spelling, reading, and sounds. The word spellings, letters, sounds, and images in this game reinforces associative learning which may aid in early brain development in young kids and may help your child get a head start in reading.
	<a href="#">Phonic Awareness</a>	Phonics Awareness, 1st Grade Reading, is a fun way for your child to learn core phonics. Bugs are used to add whimsy and help in the teaching. This tutorial is highly interactive, giving your 1st grader a chance to relate to phonics on a personal level and get instant feedback on how they are doing

	<a href="#">Phonics Genius</a>	<p>One of the best ways to rapidly learn how to speak, read, and recognize words is through phonic awareness. This app is specifically designed to help students recognize and distinguish words by sounds. This app is loaded with content. We are talking over 6,000 professionally recorded words carefully grouped into 225 categories by phonics.</p>
	<a href="#">Rhyming Bee</a>	<p>Phonics Rhyme Sorting Free is a fun app for learning to recognize rhyming words, and sort them by sound. After each group of rhyming words is completed, the animated flower will review the words. There are 28 different rhyming groups with a total of 168 short vowel sound words in the app.</p>
	<a href="#">ABC Tracer</a>	<p>ABC Tracer animates and shows how to write alphabets with strokes in the right order on the traditional red-blue guiding lines. It provides fun feedback of right and wrong strokes and has lots of fun activities. Touching the image below the alphabet makes it come to life.</p>
	<a href="#">Sight Words 1-100</a>	<p>Combine fun, easy-to-follow activities with hands-on and audio features to jumpstart the learning process. Kids Learn Sight Words uses developmentally appropriate approaches to let the child hear the words, practice writing the words, recognize letters, record the words with playback, use the words in activities. It combines fluency, vocabulary, spelling, and comprehension practice with entertaining, engaging graphics in a disguised-learning format.</p>
	<a href="#">Ace Writer</a>	<p>Learning over 300+ Dolch Sight Words or "High Frequency" Words will help your child learn to read better, and in most schools, it is a requirement for the kids to know these without sounding them out.</p>
	<a href="#">Learn to Read - Four Letter Words</a>	<p>Little Reader is an exciting interactive game that helps your child rapidly learn how to recognize and read words all with just the touch of their finger.</p>
	<a href="#">Kids Learning to Read - 3 Letter Words</a>	<p>Little Reader is an exciting interactive game that helps your child rapidly learn how to recognize and read words all with just the touch of their finger</p>
	<a href="#">Word Bingo</a>	<p>Sight Words are words that are recognized immediately (on sight) without phonetically decoding or sounding out parts.</p>
	<a href="#">See Read Say</a>	<p>Confidence and reading ability improve when children know Dolch sight words. Many of these words are in almost anything they read. Readers will have more experiences of success if they know these words. Dolch words are service words, which are necessary for understanding sentences.</p>

	<a href="#">Starfall ABCs</a>	<p>Children delight as they see, hear, and interact with letters and sounds in words, sentences, and games. They learn to recognize letters and develop skills that will ensure they become confident leaders</p>
	<a href="#">Smarty Pants School</a>	<p>Smarty Pants School offers a carefully-structured series of games and activities designed to strengthen children’s early reading skills based on the scientific recommendations of the National Reading Panel. Smarty Pants School starts by evaluating children’s proficiency in five critical skills: letter knowledge, phonemic awareness, phonics, regular 'phonetic' words, and irregular ‘sight’ words. The Smarty Pants Assessment Report shows your child’s performance in each skill area relative to standard grade-level expectations.</p>
	<a href="#">Phonics Easy Reader 2</a>	<p>The stories in Rock 'N Learn Phonics Easy Reader 2 provide practice using the following phonics material: ending and beginning consonant blends, consonant digraphs, and silent e that makes long vowel sounds.</p>
	<a href="#">Word Wall</a>	<p>Introduce your young reader to Word Wall – an interesting and engaging app that helps beginning readers practice reading and writing skills through numerous fantastic activities! Word Wall helps early to beginning readers learn to read and write by Hearing, visualizing, vocally repeating and writing down letters and words.</p>
